Come and explore over 100 acres at Aurora's Urban Oasis - the Aurora Arboretum

One of the most spectacular times to visit is in the spring when the flowering trees and shrubs are in bloom. Near the end of April to early May, the Field of Gold showcases over 12,000 daffodils. See the map on our website.

Enjoy the wildlife, variety of trees and flowering shrubs by hiking, cycling, running or walking the trails. Be sure to visit frequently to experience the changing landscape throughout the seasons.

The trails are maintained by volunteers. We are always looking for assistance in keeping trees watered, trails cut, weeds pulled or new trees planted.

The Aurora Arboretum is a town park bordered by St. John's Sideroad, Industrial Parkway North and Wellington St. The Arboretum is open year round with over 10km combined, of grass, stone and paved trails.

Visit our website to learn about how to volunteer and upcoming events.
