Online Skylight Gallery Exhibition

Featured Artist: Nancy Newman - Watercolour My Way: Transparent and Vibrant

For the month of August, this show includes a collection of floral, landscape and still life paintings, unified by pure, luminous colours. The medium of watercolour captures the subject matter with glowing transparency, mingling colours when wet and glazing layers of pigment. Artist Nancy Newman intends for each piece to spark a memory or emotional connection to the subject. Enjoy touring this month's Aurora's Skylight Gallery exhibit, available for in-person or online viewing opportunities.

All work is for sale, please contact Andrea Araujo at aaaraju@aurora.ca if you are interested in purchasing a piece. View this online gallery at aurora.ca/skylightgallery.
