Online Skylight Gallery Exhibition

Feature Artist: Ramona Ricken - Urban Beauty in the GTA

For the month of February, Aurora's Online Skylight Gallery is featuring works by artist Ramona Ricken. She takes you on a unique journey, from the urban streetcar scenes to the tranquil gardens and landscapes, all inspired by scenes within the GTA. When keeping one's eyes open, you can find beauty right in your own backyard. Which is a welcome respite from our hectic lifestyles and current world affairs. Through the use of acrylic paints in a variety of application methods, Ramona's work is meant to stir a sense of wonder and is intended to relate a story through the perception of the onlooker's viewpoint. Colourful art can provoke unique thoughts and can invigorate your imagination while simultaneously beautifying your home.

All work is for sale, please contact Andrea Araujo at aaarajujo@aurora.ca if you are interested in purchasing a piece. View this online gallery at aurora.ca/skylightgallery.

Aurora Reopens Recreational Facilities and Programs
