Yes No Unknown

Subdivision and/or Condominium

*Possible offending uses may include: disposal of waste minerals, raw material storage, residues left in containers, maintenance activities and spills. Some commercial properties such as gasoline stations, automotive repair garages, and dry-cleaning plants have similar potential. The longer a property is under industrial or similar use, the greater the potential for site contamination. Also, a series of different industrial or like uses upon a site could potentially increase the number of chemicals which are present.

Has the grading of the subject land been changes by either the addition of earth or other fill material?

Yes No Unknown

Has a gas station been located on the subject land or adjacent land at any time?

Yes No Unknown

If yes to any of the above, a previous use inventory showing all former uses of the subject land, or if appropriate, the adjacent land is required.

Is the previous inventory attached? Yes No

What information did use to determine the answers to the above questions? _____

Is the nearest boundary line of the application within 500 meters (1,640 feet) of an operational non-operational landfill or dump? Yes No
