

YORK CATHOLIC DISTRICT SCHOOL BOARD
EDUCATION DEVELOPMENT CHARGES BY-LAW NO. 209

A by-law for the imposition of education development charges in York Region.

PREAMBLE

1. Section 257.54(1) of the *Education Act* (the "**Act**") enables a district school board to pass by-laws for the imposition of education development charges against land if there is residential development in its area of jurisdiction that would increase education land costs.
2. York Catholic District School Board (the "**Board**") has determined that the residential development of land to which this by-law applies increases education land costs.
3. Pursuant to section 257.57 of the Act, this by-law applies to all lands in the corporate limits of the Regional Municipality of York;
4. The Board has conducted a review of its education development charge policies and held a public meeting on April 9, 2024 in accordance with section 257.60 of the Act;
5. The Board has given notice and held public meetings on April 9, 2024 and May 21, 2024, in accordance with section 257.63(1) of the Act, and permitted any person who attended the public meeting to make representations in respect of the proposed education development charges;
6. The estimated average number of secondary school pupils of the Board over the five years immediately following the day this by-law comes into force will exceed the total capacity of the Board to accommodate secondary school pupils throughout its jurisdiction on the day this by-law is passed;
7. The balance in the Board's education development charge reserve fund at the time of expiry of Board By-Law No. 208 will be less than the amount required to pay outstanding commitments to meet growth-related net education land costs, as calculated for the purposes of determining the education development charges imposed under that by-law;
8. On May 14, 2024, the Minister of Education approved the Board's estimates which are prescribed under section 10, paragraph 1 of O. Reg. 20/98: *Education Development Charges* (the "**Regulation**").
9. The Board has given a copy of the education development charges background study relating to this by-law to the Minister of Education and to each school board having jurisdiction within the area to which this by-law applies in accordance with section 10 of the Regulation;

10. The Board has therefore satisfied the conditions prescribed by section 10 of the Regulation in order for it to pass this by-law;
11. The Board has determined in accordance with section 257.63(3) of the Act that no additional public meeting is necessary in respect of this by-law.

NOW THEREFORE THE BOARD HEREBY ENACTS AS FOLLOWS:

Interim Review

8.

- (a) Where it appears to the Board that the land values underlying the education development charge calculation are predicting higher costs than the Board is generally experiencing over a period of time sufficient to show the discrepancy with a reasonable degree of assurance, the Board shall consider a motion to study amending this by-law to reduce the charge.
- (b) Where it appears to the Board that the land values underlying the education development charge calculation are predicting lower costs than the Board is generally experiencing over a period of time sufficient to show the discrepancy with a reasonable degree of assurance, the Board shall consider a motion to study amending this by-law to increase the charge.

(3) Notwithstanding subsection (1), education development charges shall be imposed in accordance with section 9 against any dwelling unit or units on the same site in addition to the dwelling unit or units being replaced. The onus is on the applicant to produce evidence to the satisfaction of the Board, acting reasonably, to establish the number of dwelling units being replaced.

(4) Subject to section 16, an education development charge shall be imposed under section 9 where a non-residential building or structure is replaced by or converted to, in whole or in part, a residential building or structure.

Non-Residential Education Development Charges

- (a) July 1, 2024 to June 30, 2029 - \$0.27 per square foot (\$2.91 per square metre).

Exemptions from Non-Residential Education Development Charges

13. (1) As required by section 257.55 of the Act, if a development includes the enlargement of a gross floor area of an existing industrial building, the amount of the education development charge that is payable in respect of the enlargement is determined in accordance with the following rules:

- (a) if the gross floor area is enlarged by 50 per cent or less, the amount of the education development charge in respect of the enlargement is zero;
- (b) if the gross floor area is enlarged by more than 50 per cent the amount of the education development charge in respect of the enlargement is the amount of the education development charge that would otherwise be payable multiplied by the fraction determined as follows:
 - (i) determine the amount by which the enlargement exceeds 50 per cent of the gross floor area before the enlargement;

- (ii) divide the amount determined under paragraph I by the amount of the enlargement.
- (2) For the purposes of section 13(1) the following provisions apply:
- (i) the gross floor area of an existing industrial building shall be calculated as it existed prior to the first enlargement of such building for which an exemption under section 13(1) of this by-law or a similar provision of any prior education development charge by-law of the Board was sought;
 - (ii) the enlargement of the gross floor area of the existing industrial building must be attached to such building;
 - (iii) the enlargement must not be attached to the existing industrial building by means only of a tunnel, bridge, passageway, shared below grade connection, foundation, footing or parking facility, but must share a common wall with such building; and,
 - (iv) “gross floor area” shall mean for the purposes of this section 13, the total floor area, measured between the outside of exterior walls or between the outside of exterior walls and the centre line of party walls dividing the building from another building, of all floors above the average level of finished ground adjoining the building at its exterior walls.

14.

- (a) As required by section 5 of the Regulation, subject to paragraphs (b) and (c), an education development charge under section 12 shall not be imposed with respect to the replacement, on the same site, of a non-residential building that was destroyed by fire, demolition or otherwise, or that was so damaged by fire, demolition or otherwise as to render it unusable.
- (b) Notwithstanding paragraph (a), an education development charge shall be imposed in accordance with section 12 against any additional gross floor area of any non-residential development on the same site in excess of the gross floor area of the non-residential building or structure being replaced, subject to the following calculation:

If the gross floor area of the non-residential part of the replacement building exceeds the gross floor area of the non-residential part of the building being replaced, the exemption applies with respect to the portion of the education development charge calculated in accordance with the following formula:

$$\text{Exempted portion} = \frac{\text{GFA (old)}}{\text{GFA (new)}} \times \text{EDC}$$

where,

"Exempted portion" means the portion of the education development charge that the board is required to exempt;

"GFA (old)" means the gross floor area of the non-residential part of the building being replaced;

"GFA (new)" means the gross floor area of the non-residential part of the replacement building;

"EDC" means the education development charge that would be payable in the absence of the exemption;

- (c) The exemption in paragraph (a) does not apply if the building permit for the replacement building is issued more than five years after,
 - (i) the date the former building was destroyed or became unusable; or
 - (ii) if the former building was demolished pursuant to a demolition permit issued before the former building was destroyed or became unusable, the date the demolition permit was issued.
- (d) An education development charge shall be imposed in accordance with section 12 where the residential building or structure is replaced by or converted to, in whole or in part, a non-residential building or structure;

15. The education development charge to be imposed in respect of mixed use development shall be the aggregate of the amount applicable to the residential development component and the amount applicable to the non-residential development component.

Credits

16. This section applies where an education development charge has previously been paid in respect of development on land and the land is being redeveloped, except where sections 10 and 11, and/or sections 13 and 14 apply:

- (a) The education development charge payable in respect of the redevelopment will be calculated under this by-law;
- (b) The education development charge determined under paragraph (a) will be reduced by a credit equivalent to the education development charge previously paid in respect of the land, provided that the credit shall not exceed the education development charge determined under paragraph (a). The onus is on the applicant for a credit to produce evidence to the satisfaction of the Board which establishes the amount of the education development charge previously paid in respect of the land, failing which, the amount shall be deemed to be zero;

- (c) Where the redevelopment applies to part of the land the amount of the credit shall be calculated on a proportionate basis having regard to the development permissions being displaced by the new development. For example, if 10% of non-residential gross floor area of a non-residential building is being displaced by residential development through conversion, the residential education development charge on the applicable number of units will be calculated under section 9 of the by-law, and the credit will be the education development charge originally paid on the gross floor area being converted subject to the limit determined pursuant to paragraph (b).
