"Colours and Shapes"

Artwork by J. David Murphy.

A message from the artist: "I've painted for over 50 years - in oil, acrylic, watercolour, pen and ink, and even Chinese brush. As one of my early teachers used to say: painting is nothing more than a pleasing and evocative arrangement of colours and shapes. In this exhibition I've tried to display my 'Colours and Shapes' in different contexts by including a broad range of my work - from impressionistic landscapes to abstracts; from realistic urbanscapes to portraits and figure studies." More information can be found at www.jdavidmurphyart.com.
