"Geometric Harmony with the Spiritual World"

Artwork by Raul Arango Gomez.

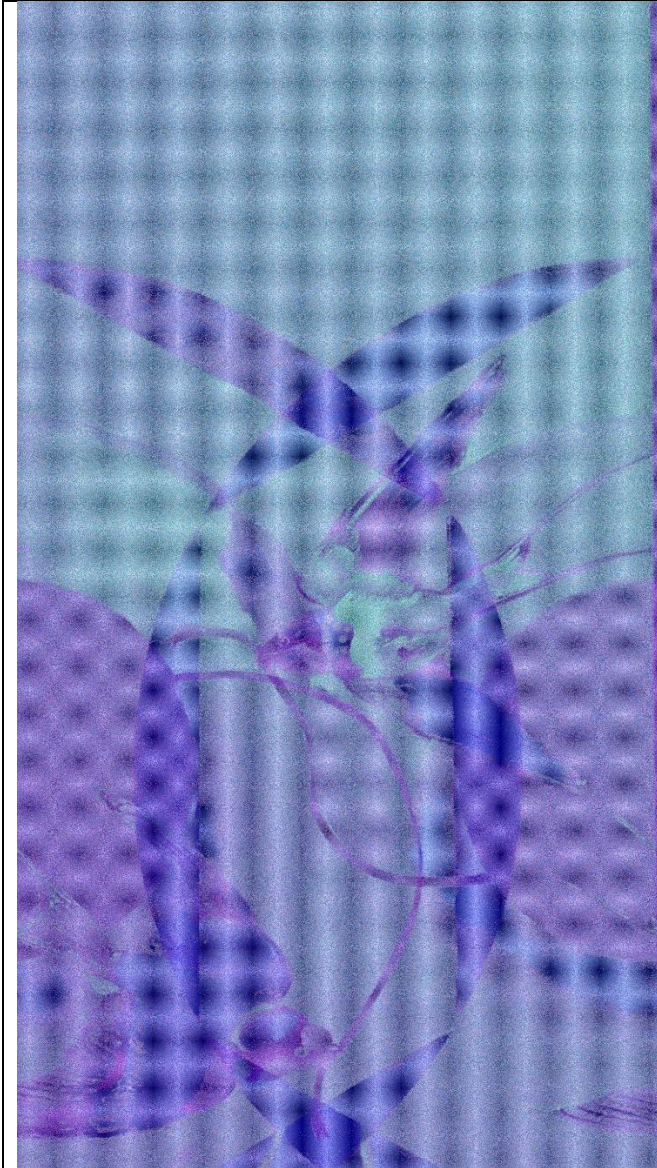

Aurora's Online Skylight Gallery is featuring works by Raul Arango Gomez.

"Geometric Harmony with the Spiritual World" looks at the set of geometric patterns and shapes found in nature. Through these shapes, humanity has created symbols that have been used to represent philosophical and spiritual ideas. Raul's work seeks to explore the meaning and significance of these shapes, connecting them to the spiritual world to discover the larger purpose they hold. Thus, we will be able to find greater harmony in daily life.

Enjoy touring this month's Aurora's Skylight Gallery exhibit located in Aurora Town Hall, available for in-person or online viewing opportunities. All work is for sale. Please contact Sarah Reynolds sreynolds@aurora.ca if you are interested in investing and owning a beautiful artwork piece.

All pieces are measured in inches.

Artwork	Artwork Description
 The artwork is a vertical composition. At the top, a vibrant red rose with many layers of petals is set against a light blue, hexagonal background. Below the rose, a green, thorny stem emerges, which is integrated with a grey, mechanical, pipe-like structure. This structure has several circular holes and a cross-shaped joint, resembling a crucifix. The entire piece is set against a dark, textured blue background.	<p>Crucifixion</p> <p>Acrylic</p> <p>40 x 72</p> <p>\$3,000</p>
