Online Skylight Gallery Exhibition

Featured Artist: Alexander Shnyder – Flow and Form

Alexander brings a unique perspective to paper quilling, using it as both an art form and a meditative practice. His work features abstract, elegant pieces and intricate hamsas, blending traditional motifs with contemporary design. Drawing from a background in various art forms, Alexander's creations showcase the versatility and depth of quilling, reflecting tranquility and balance. This exhibition captures his dedication to pushing the boundaries of paper quilling, resulting in visually striking and meaningful art. View online at aurora.ca/SkylightGallery. All artwork is for sale. Please contact Sarah Reynolds at sreynolds@aurora.ca if you are interested in investing and owning a beautiful artwork piece.
