Community Partners overview

Aurora Business Improvement Area

The Aurora Business Improvement Association (BIA) is a volunteer run organization committed to improving and promoting the Aurora Historical Business District.

Through promotion and business support, the Downtown Aurora BIA strives to build and maintain the downtown area as Aurora's premier shopping, business and entertainment destination. The goal is to support the revitalization of downtown Aurora as a Town focal point where businesses thrive; residents live, work, and play, and visitors feel welcome.

The budget for the Aurora Business Improvement Area is expected to be finalized after the budget is complete. The Board of the BIA will bring forward its budget at a later time. Since its budget is fully recovered from the BIA members, it will not have an impact on the Town's overall tax levy.
